Spring seems to be arriving early this year, at least here in eastern Canada. As the weather improves, our thoughts will certainly turn to outdoor activities. Given this, you may not be spending as much time in front of the computer. Contributions to the Newsletter will most likely drop off a little. So, please take a few moments from your busy schedules to share one or two of your favourite websites with our readers. Remember that having your name on the contributors' list entitles you to a 2% discount on your next Radio H.F. purchase.

The hamfest/fleamarket season is under way and Radio H.F. is appearing at a number of them. Be sure to check the list of upcoming events in the Publicity Zone.

Now, on to this month's material. Courtesy of Mr. Wilhelm Eilertsen, webmaster of RadioDirectory, http://www.radiodirectory.com we have many radio related sites from his excellent collection of

material, updated monthly.
